Maybe Roscoe would like a strawberry milk. I wonder what Sherry would want...?

Okay! This

You couldn't decide on just one?
Ah-- Dindin!

I-I'm not going to drink these all myself!
I thought maybe my friends would like something to drink too!

Oh!

I have a feeling you're going to drop all of these

Let me carry some.
Are you sure?
I feel like you're always lending me a helping hand, Dindin. Thank you.
Don't think too much of it. What if I just

feel sorry for you becouse you're a hopeless cose?

Calm down, Lui. You can clean it again later.
That's not the point, dammit!
Would you guys mind lowering the volume? I'm in the middle of reading something

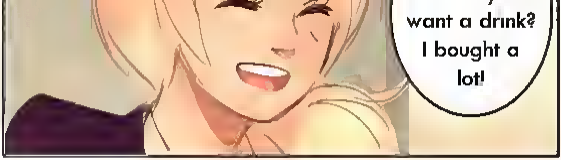
important.

We've been pretty idle lately, haven't we?

Well, exams are coming up soon. Everyone is focusing on their studies.

or at least most people.

I'm back! Does anyone



want a drink?
I bought a lot!

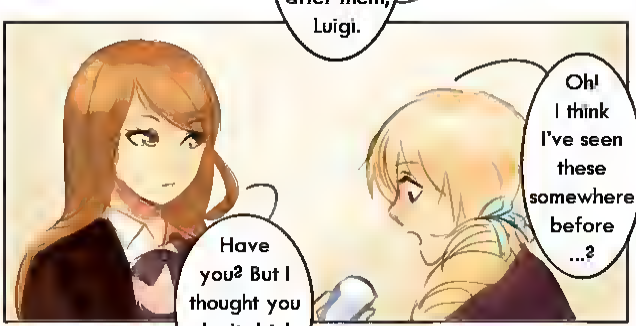
Moreover, are these seriously the students in charge of the school...?!
If you guys are drinking again, don't expect me to clean up your mess.
You say that, but we all know you're going to clean up after them



Luigi.
Oh! I think I've seen these somewhere before ...?
Have you? But I thought you don't drink alcohol?

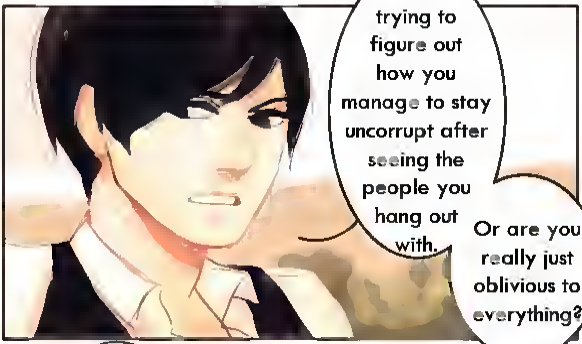
Ah! I remember! I was--
Just about to get some coffee!

Coffee?

But I already bought one.
We need to get another one, remember?
If they find out I was involved with the time she got drunk, it'll be my neck on the line.

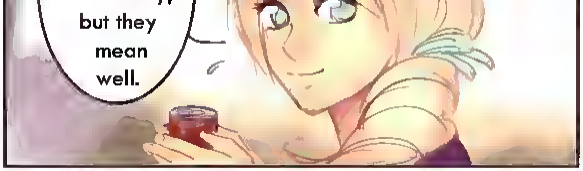
I don't even like coffee.
And

yet...

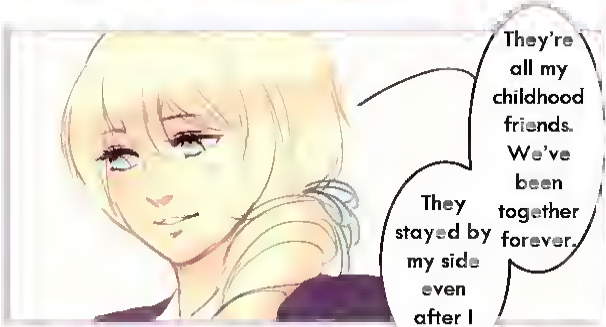


I'm still trying to figure out how you manage to stay uncorrupt after seeing the people you hang out with.
Or are you really just oblivious to everything?

I know my friends can be a little unruly.



but they mean well.



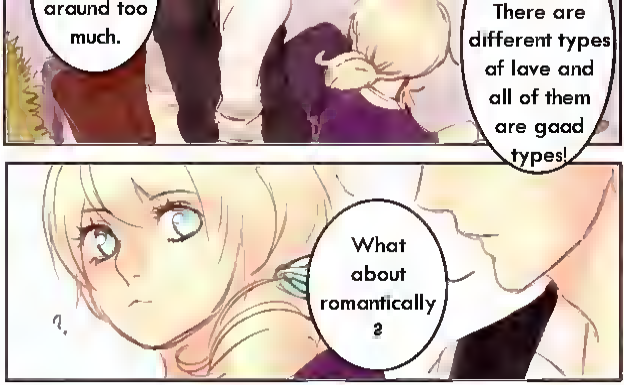
They're all my childhood friends. We've been together forever.
They stayed by my side even after I ...

. . . .

?

Well, you get it, right?
I love my friends very much! I wouldn't change them for the world.

For a split second, I could have swarn I saw the slightest bit of melanchaly on her face.



around too much.
There are different types of love and all of them are good types!
What about romantically?
Terms of "love" aside, are you at least *interested* in anyone

They get along surprisingly well. Don't you think, Roschii?
Hm. Yeah.
You've got that protective brother look on your face again.

It's not that. I trust he'll treat her well.
But if he's going to be more involved in her life, I think he has the right to know what happened.
. . .
Do you think she'll tell him?

No,
she won't.
